

Thank you for showing interest in the GOGA project Thanet.

I have attached a copy of the GOGA Thanet registration form if you could complete and return this to our HR team at [recruitment@yourleisure.uk.com](mailto:recruitment@yourleisure.uk.com) or by post to Your Leisure, Northdown House, Margate, Kent, CT9 3TP by the 24<sup>th</sup> November 2017, we can then move forward with the recruitment process.

Get Out Get Active (GOGA) is an exciting new programme that supports disabled and non-disabled people to enjoy being active together. Funded by Spirit of 2012 <https://www.spiritof2012trust.org.uk/> , all partners are focused on getting some of the UK's least active people moving more through fun and inclusive activities.

The Thanet project has been running since April 2017 and is making headway not only in the local area but on a National scale. As a team, we remain focussed on our key goals of reaching those least active in our community and making a long-term difference in their lives.

We are challenged with exploring new ideas of engagement and finding and using the channels that are most effective.

If you become a volunteer with the project, there will be a range of varied tasks to be involved with these could range from attending local events of activities through to recording people's personal stories into activity.

Below are links to the National GOGA web page along with our Thanet one that we have set up to show our work going forward.

<http://gogathanet.co.uk/> and <http://www.getoutgetactive.co.uk/>

I hope this gives you an overview of the project and I look forward to reading your registration form,

Yours Sincerely,

**Sarah Johnson**  
GOGA Coordinator
